Flock Fake News Detector

Whenever links are being sent to each while chatting, FND algorithm gets activated. It checks the content of links to their databases of websites computed according to rankings. It gives a statistic rating and generates a warning message if the source is not found to be reliable.

BS Detector

Due to Mark Zuckerberg's dubious claims that Facebook is unable to substantively address the proliferation of fake news on its platform. Therefore, creator create A browser extension for Chrome and Mozilla browsers, B.S. Detector searches all links on a given webpage for references to unreliable sources, checking against a manually compiled list of domains. It then provides warnings about t links or the browsing of questionable websites:

Meet the Facts

A fact check website made by college students in USA in there they have check the fact and given the evidence to the user.

FACT-CHECK: David Plouffe -The Republican Party tried to change the rules to allow the majority leader to still serve if they were indicted

Sep 11, 2010 09:37 | admin | [View Comments](#)

The following is a fact-check from the September 5, 2010 episode of *Meet the Press*:

DAVID PLOUFFE | The Republican Party, when it controlled the House of Representatives, tried to change the rules to allow the majority leader to still serve if they were indicted – **TRUE**

MR. PLOUFFE: These are the--this is the party that tried to change the rules to allow the majority leader to still serve if he was indicted.

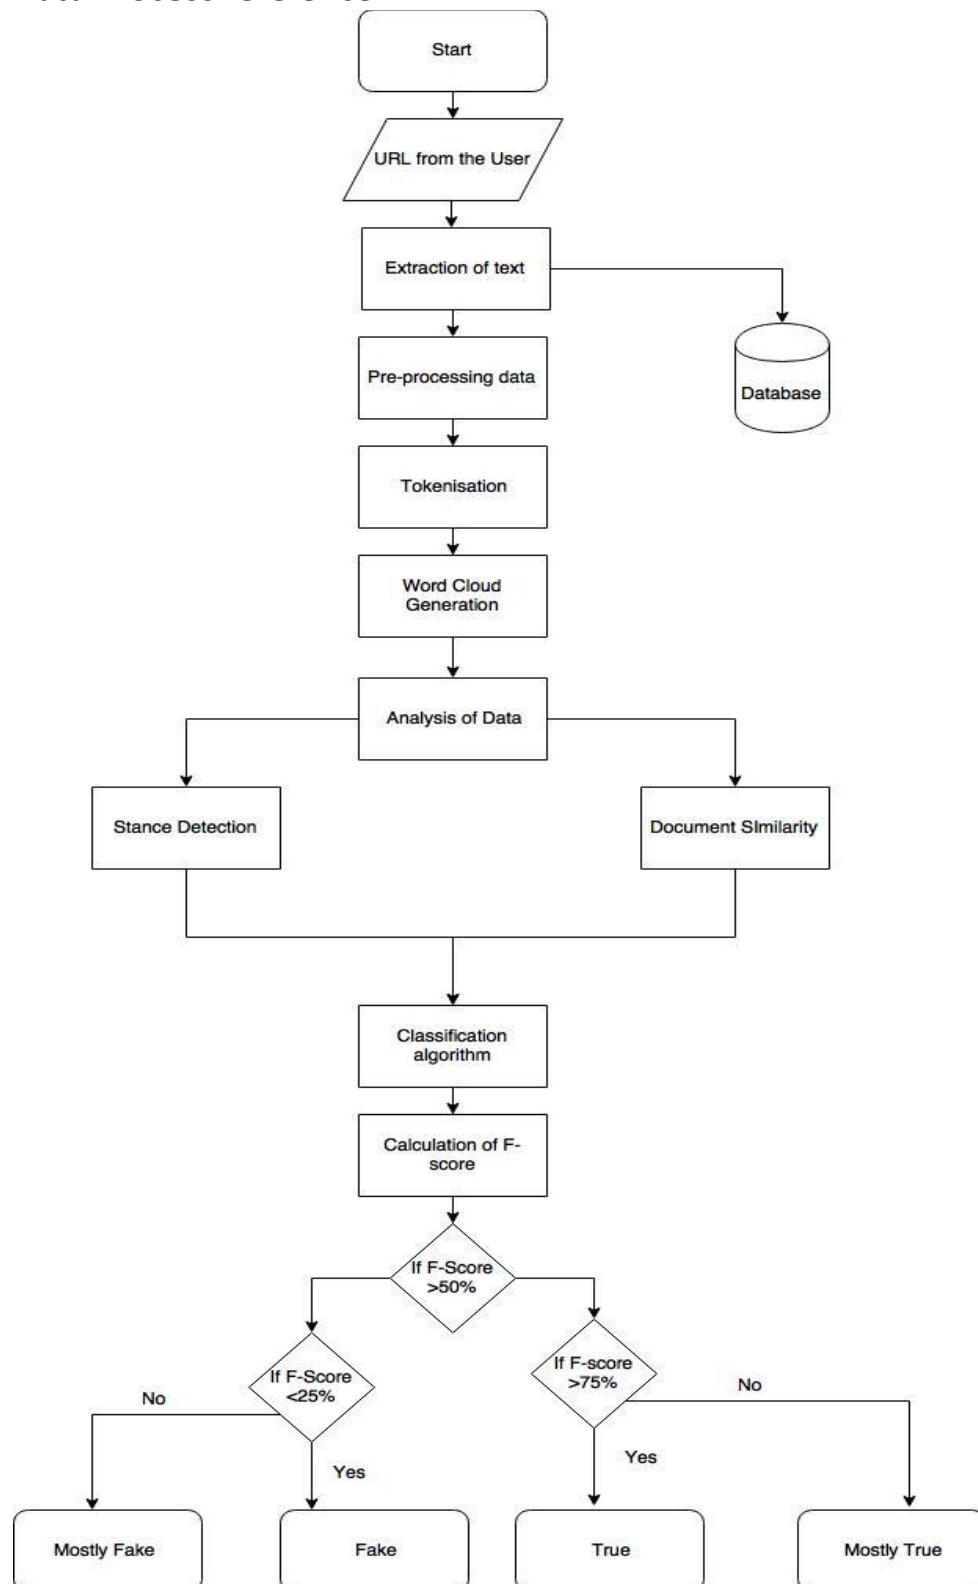

In an [investigation](#) of alleged illegal corporate contributions to a political action committee in 2004, three of Tom Delay's associates, Jim Ellis, John Colyandro, and Warren Robold were indicted by grand jurors in Texas. The investigation involved charges that included raising illegal corporate contributions and funneling them to Republican candidates in the 2002 elections. Then, House Republicans [proposed changing their rules](#) to allow members indicted by state grand juries to remain in a leadership position, which would of benefited, then House Majority Leader Tom DeLay in case he was charged by the Texas grand jury.

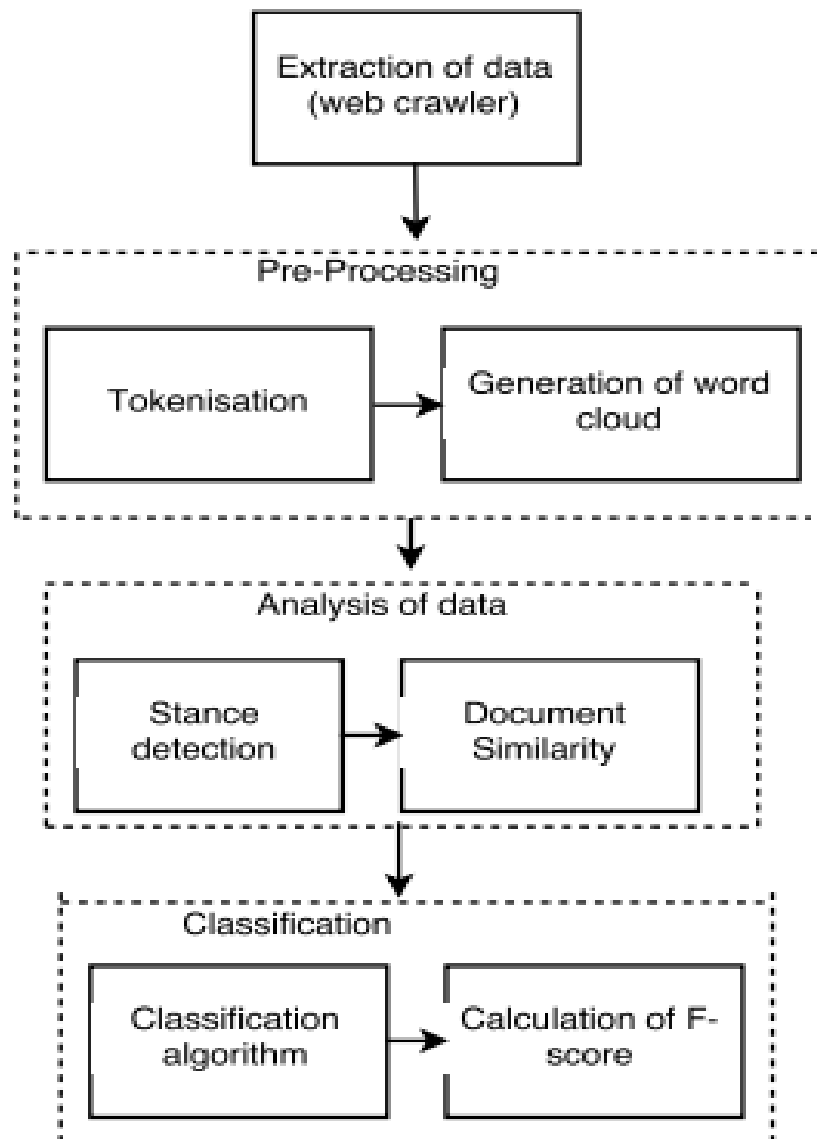

Tom Delay was eventually [indicted by a Texas grand jury](#) on a charge of criminally conspiring with two political associates to infuse illegal corporate contributions into the 2002 state elections, which helped the Republican Party reorder the congressional map in Texas to increase its control of the House in Washington. Five years later, Tom Delay [still hasn't had a trial](#) for the alleged criminal charges.

We rate David Plouffe's statement **TRUE**.

The following fact-check took 2 hours to complete.

Guidelines for a fake news corpus

- (1) include both fake and real news items,
- (2) contain text-only news items,
- (3) have a verifiable ground-truth,
- (4) be same in length
- (5) writing style,
- (6) contain news from a predefined time frame,
- (7) be delivered in the same manner and for the same purpose (e.g. humor, breaking news) for fake and real cases,
- (8) be made publicly available,
- (9) should take language and cultural differences into account.
